Amendment 1 - Cancellation of the ABA Tournament - 9th & 10th May 2026

Good evening Bhutanese Archery Club and Traditional Bhutanese Archery Club members,

I'm happy to announce the ABA Tournament will run on Sunday, 10th May 2026 on the Bhutanese range.

We thank the event organiser, Sonam Dorji and BACC executive for their flexibility at this time as we worked to minimise the impact to all ranges within the Tuggeranong Archery Club complex. Further information from the event organiser will be released to those scheduled to compete in the event. We again thank Sonam for his ongoing efforts.

I am also happy to announce, we hope to be able to open the Bhutanese range shortly after 1pm on Saturday 9th May for use by members and their signed in guests.

We hope to be able to open the Traditional Bhutanese range shortly after 1pm on Sunday 10th May for use by members and their signed in guests.

We welcome you onto the TAC main range for target shooting during the closed periods, should you wish to shoot. Please note, Archery Australia dictates a 60lbs bow limit on our ranges.

Prior to commencing shooting on Saturday and Sunday, please approach officials in the TAC Canteen to ensure the range you wish to use is open so we can keep everyone safe.

Should you wish to provide any feedback, you can address communications to - president@tuggeranongarchery.com.au

Kind regards,

Kirsty Lewis
President
